Similarly, views from the Directors were also sought on performance of individual Directors covering various aspects such as attendance and contribution at the Board/Committee Meetings and guidance/support to the management outside Board/Committee Meetings. In addition, the Chairman was also evaluated on key aspects of his role, including setting the strategic agenda of the Board, encouraging active engagement by all Board members and promoting effective relationships and open communication, communicating effectively with all stakeholders and motivating and providing guidance to the Executive Director.

Areas on which the Committees of the Board were assessed included degree of fulfillment of key responsibilities, adequacy of Committee composition, effectiveness of meetings, Committee dynamics and quality of relationship of the Committee with the Board and the Management.

The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non Independent Directors was carried out by the Independent Directors who also reviewed the performance of the Board as a whole. The Nomination & Remuneration Committee also reviewed the performance of the Board, its Committees and of individual Directors.

The Chairman of the Board provided feedback to the Directors, as appropriate. Significant highlights, learning with respect to the evaluation, were discussed at the Board Meeting.

d) Reply to remarks, observation by Statutory Auditor

Remarks, observation by Statutory Auditor	Reply by Board of Directors
Impairment Loss not recognized	The company, having not carried out the required exercise of determination of impairment in the value of the assets, the exact quantification is not possible at this point of time.
Pending Corporate Actions about reductions of paid up capital, extinguishment of shares and further allotment of shares to Resolution Applicant	Company is in process of executing corporate actions with BSE, NSE, CDSL and NSDL about reductions of paid up capital, extinguishment of shares and further

	allotment of shares to Resolution Applicant
Deposit not valued fairly.	The deposits of the company mainly consists of security deposits with various services providers and majority of them are acknowledged in the bills. The company intends to carry out the exercise of fair valuing them by using appropriate discount rate on the basis of maturity period and type of deposit
No provision has been made for short term and long term benefits payable to employees.	After taking over the company by the new management the activities of the company started in March, 2019 wherefrom the present work force was mostly recruited and hence the work force being with the company only for a period of about two years the management does not consider the impact of the employee benefits to be significant. The company however intends to carry out the actuarial valuation and make necessary provisions in future.

All other remarks, qualifications are self-explanatory

e) Reply to remarks, observation by Secretarial Auditor

ANNEXURE 1 MANAGEMENT DISCUSSION AND ANALYSIS

The management of Girnar Spentex Industries Limited (formerly known as Amit Spinning Industries Limited) presents the analysis of business performance of the company for the year 2020-21 and its outlook for the future. This outlook is based on assessment of the current business environment. It may vary due to future economic and other developments.

1. Industry structure and developments.

a. Indian Economy

India's economy grew at a better-than-expected rate of 1.6% in the January-March quarter from a year ago, but the severe second Covid wave has created economic uncertainty and dampened sentiment. The economy, which was facing a slowdown even before the pandemic broke out last year, contracted by 7.3% during April 2020 to March 2021 fiscal (FY21), weighed down by nationwide lockdown that pummelled consumption and halted most economic activities.

This is the first full-year contraction in the Indian economy in the last four decades since 1979-80, when GDP had shrunk by 5.2%. The economy has grown by 4% in the previous 2019-20 fiscal. The Government does not expect the severe second wave to have a large economic impact. However, the outlook appears uncertain. The pandemic has resulted in a huge number of job losses. According to CMIE over 97% Indians have become poorer compared with the last year and unemployment levels are at 13.73%. This will take a toll on consumption and consumption led Companies. Given the strong recovery in other countries commodity prices may remain strong and there is a worry about inflation, global as well as local, and its impact on interest rates.

b) Industry Scenario

Textile Industry in India continues to be dominated by cotton, accounting for nearly 3/4th of the total fibre consumption in the country. Globally fibre consumption is dominated by manmade fibres having 70 per cent of share in total fibre consumption. Contrary to the global trend, fibre consumption in India is skewed towards natural fibres with around 65% share, especially cotton

2. OPPORTUNITIES, THREATS, RISKS AND CONCERNS

The COVID-19 pandemic is a global humanitarian and health crisis, which continues to impact the major part of the country and the other geographies also reporting second and third waves of infections. The actions taken by various governments to contain the pandemic, such as closing of borders and lockdown restrictions, have resulted in significant disruption to people and businesses.

The uncertainty in demand with prolonged economic impacts of the COVID-19 pandemic will result in impact to production and may cause us to implement major cost control measures and other initiatives. New and changing regulatory compliance, corporate governance and disclosure requirements may increase our costs of compliance. Change in the policies of the Government of India may adversely affect economic conditions in the country generally, which could impact our business and prospects.

Risks related to the market in which we operate, may affect our profitability negatively if shutdown is prolonged or if we are unable to eliminate fixed or committed costs in line with reduced demand. Unavailability of supply of electricity is another risk factor.

3. SEGMENTS WISE PERFORMANCE

The company operates in only one segment i.e. Spinning Mill Segment.

4. PRESENT SCENARIO AND OUTLOOK

Trial production commenced in the month of May 2019. Company commenced commercial production in the month of October 2019. Company could achieve turnover of Rs. 46.66 Crores for the year ended 31-03-2021. Sales are expected to be achieved with the same pace. However it is expected to be a tough year for the textile industry and major focus shall be on cost cutting measures, improving productivity, reduction in wastage and efforts on taking quality to next level and deriving efficiency to make products further cost competitive. Further, it is proposed to make the production processes and supply chains it lean and agile and focus will be on giving improved services to customers to retain market share.

5. RISK MANAGEMENT

The Company recognises that risk is inherent in every business activity. However, managing it with efficacy is vital in order to achieve strategic objectives and long-term sustainable growth. The major risk areas are periodically and systematically reviewed by the management and risk management committee. Some of the major risks have been entailed below:

STRATEGIC RISK	PROBABLE IMPACT	MITIGATION STRATEGY
Economic Risk	Global lockdowns and Slowdown could impact demand and revenue	Cost cutting measures being implemented rigourously
Cost Risk	Volatility in raw material costs could impact overall cost of production	Holding sufficient inventory to protect itself from short term spikes
Competition Risk	Losing market share	<ul style="list-style-type: none"> ➤ Continuous focus on quality ➤ Providing end to end services to customers.
Credit Risk	Failure to make timely payments, or the credit rating or risk profile otherwise deteriorates	<ul style="list-style-type: none"> ➤ Strengthening credit control ➤ Effective collection strategy
Labour Immigration Risk	Stoppage in production Impacts quality of production	<ul style="list-style-type: none"> ➤ Retaining labour with facilities for stay ➤ Strategies for maintaining cordial relations

6. HUMAN RESOURCE MANAGEMENT

The management has cordial and harmonious relations with its employees. It considers manpower as its assets and that the people had been the driving force for the growth of the company. The Company's HR policy aim to develop and train each individual to perform to his fullest capacity, achieving individual excellence and at the same time achieving the Company's Goals. The shortage of man power due to immigration in the COVID Pandemic has become a severe problem and efforts have been taken to mitigate the same.

7. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's well-articulated internal control systems ensure the achievement of its operational, compliance and reporting objectives. It has adequate policies and procedures in place, for its current size as well as the future growing needs. These policies and procedures play a pivotal role in the deployment of internal controls. They are regularly reviewed to ensure both, relevance and comprehensiveness, and compliance is ingrained into the management review process. The audit committee regularly reviews the adequacy of controls of the key processes. It makes note of the audit observations and takes corrective actions, if necessary. It maintains a constant dialogue with statutory and internal auditors to ensure that internal control systems are operating effectively.

INDEPENDENT AUDITOR'S REPORT

To,

**The Members of Girnar Spintex Industries Limited
(Formerly Known as Amit Spinning Industries Limited)**

Report on the Audit of Ind AS Financial Statements

We have audited the accompanying Ind AS Financial Statements of **GIRNAR SPINTEX INDUSTRIES LIMITED**, ("The Company"), which comprise the Balance sheet as at March 31, 2021, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2021, its PROFIT and its cash flows and changes in equity for the year ended on that date.

Basis for Qualified Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

The qualifications are as under:

1. Impairment loss, if any, needs to be accounted for by the company by forecasting its cash flow to analyze whether the cost of the asset is recoverable or not.
2. Effect of extinguishment, reduction in and consolidation of share capital has been given during the year in terms of approved resolution plan by NCLT with corresponding effect to Insolvency and Bankruptcy Reserve the balance in which as on 31.03.2021 is Rs.1,48,59,84,299, pending sanction from SEBI.
3. Various deposits given by the company need to be fair valued using appropriate discount rate on the basis of maturity period and type of deposit.
4. No provision has been made for short term and long term benefits payable to employees. Quantification of the impact of the same is not possible in the absence of actuarial valuation of the same as on 31.03.2021.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Standalone Ind AS Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Standalone Ind AS Financial Statements.

Key Audit Matters	How our audit addressed the key audit matter
No provision is made in respect of various statutory dues arising from the orders of the Government Authorities	Our audit procedures included and were not limited to the following: <ul style="list-style-type: none">• Verification of documentation in respect of the demands raised.• Perusal of the NCLT order whereby all Government Liabilities prior to the application to NCLT stand waived.• Discussion with the management in connection with approaching NCLT for waiver of specific dues and written management representation in respect thereof.• Verification and analysis of contingent liabilities in Notes to Accounts.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

EMPHASIS OF MATTERS

We draw your attention to Note B(1) to the Standalone Financial Statements which explains the management's assessment of the financial impact due to the lock-down and other restrictions and conditions related to the COVID - 19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters Specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we further report that:

- a) we have sought and except for the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) the Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014;
- e) On the basis of written representations received from the directors as on March 31, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
- g) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note B-2 to the financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts which there were any material foreseeable losses.
 - (iii) The company is not liable for contribution to the Investor Education and Protection Fund.

- a. The Company's records of fixed assets need improvement inasmuch as the records now maintained need to have full particulars, including quantitative details and situation of fixed assets.
- b. As explained to us, the fixed assets are physically verified by the management during the year after the taking over by the new management, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets; as informed to us no material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.

2. In respect of its inventories:

- a) As explained to us, inventories have been physically verified by the management at regular intervals during the year. In our opinion, the frequency of verification is reasonable.
- b) As explained to us, there were no material discrepancies noticed on physical verification of inventory as compared to the book records.

3. Loans Given by Company

The company has not granted any loans secured or unsecured to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013.

4. Loans to Directors and Loans & Investments by Company.

In our opinion and according to the information and explanations given to us, the company has not granted any loans, made any investments, provided any guarantees or given any security attracting the provisions of section 185 and 186 of the Companies Act, 2013.

5. Acceptance of Deposits:

The Company has not accepted any deposits from the public covered under Section 73 to 76 of the Companies Act, 2013

6. Maintenance of Cost Record:

We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 and are of the opinion that the records need improvement. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

7. In respect of statutory dues:

(a) According to the information and explanations given to us and based on the records of the company examined by us, the company is generally regular in depositing the undisputed statutory dues, including Income-tax, GST, and other material statutory dues, as applicable, with the appropriate authorities. However, arrears are outstanding in respect of Gram Panchayat Tax.

(b) The arrears of **undisputed outstanding statutory dues** as on the last day of the financial year concerned for a period of more than six months from the date they became payable: It is claimed by the company that, as per the order of NCLT approving Resolution Plan of the Company under IBC all statutory dues pertaining to the period prior to the date of NCLT order stand resolved and no dues remain payable.

(c) **Disputed Statutory Dues:** According to the records of the Company, there are following dues of Income-tax, Sales-tax, Gram panchayat Tax and water charges remaining un-deposited as on March 31, 2021. The company disputes the liability in view of the order of NCLT dated 31.07.2018 approving Insolvency Resolution Plan of the Company.

Annexure B

To the Independent Auditors' Report on the Ind AS Financial Statements of Girnar Spintex Industries Limited

(Formerly Known as Amit Spinning Industries Limited)

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements'
of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **AMIT SPINNING INDUSTRIES LIMITED** ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and payments of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2021.

According to the information and explanations given to us, the company does not have documented framework of Internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The company did not have an appropriate internal control system for obtaining confirmation from parties included under the head trade payables, loans and advances and other current liabilities and its reconciliation/consequential adjustments, if any.

The company's internal financial controls were not operating effectively in respect of the above.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2021 Ind AS financial statements of the Company, and these material weaknesses have affected our opinion on the Ind AS financial statements of the Company and we have accordingly issued a qualified opinion on the Ind AS financial statements.

N-1 NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

1. A. SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis for preparation of accounts

The accounts have been prepared in accordance with IND AS and Disclosures thereon comply with requirements of IND AS, stipulations contained in Schedule- III (revised) as applicable under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014, Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, other pronouncements of ICAI, provisions of the Companies Act and Rules and guidelines issued by SEBI as applicable. Assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in revised Schedule - III to the Companies Act, 2013.

1.2 Use of Estimates

IND AS enjoins management to make estimates and assumptions related to financial statements that affect reported amount of assets, liabilities, revenue, expenses and contingent liabilities pertaining to the year. Actual result may differ from such estimates. Any revision in accounting estimates is recognized prospectively in the period of change and material revision, including its impact on financial statements, is reported in the notes to accounts in the year of incorporation of revision.

1.3 Recognition of Income and Expenses

- i. Revenue from sale contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services. The Company typically controls the goods or services before transferring them to the customer. Generally, control is transferred upon shipment of goods to the customer or when the goods are made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods transported.
- ii. Interest Income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.
- iii. Other incomes have been recognized on accrual basis in financial statements except for cash flow information.

1.4 Property, Plants and Equipment

These tangible assets are held for use in production, supply of goods or services or for administrative purposes. These are recognized and carried under cost model i.e. cost less accumulated depreciation and impairment loss, if any which is akin to recognition criteria under erstwhile GAAP.

- i. Cost includes freight, duties, taxes and other expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such Costs also include Borrowing Cost if the recognition criteria are met.
- ii. When a major inspection/repair occurs, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of previous inspection/repair is derecognized.
- iii. Depreciation has been provided on straight line method in terms of expected life span of assets as referred to in Schedule II of the Companies Act, 2013.
- iv. Components relevant to fixed assets, where significant are separately depreciated on straight line basis in terms of their life span assessed by technical evaluation in specific context.

- v. On sales of fixed assets any profit earned/loss sustained towards excess/shortfall of sale value Vis-a- vis carrying cost of assets is accounted for in statement of profit and loss.
- vi. The company has revalued its assets the effect of which has been given in F Y 2019-20. In addition, in respect of plant and equipment, the company has re-estimated the remaining useful life of each of the asset in this category as at the year end and depreciation for the whole year has been computed taking into account the revalued figures and such re-estimated useful life.

1.5 Impairment of Non-Financial Assets

- i. The Company assesses at each reporting date as to whether there is any indication that any Property Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.
- ii. An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- iii. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

1.6 Financial Instruments

i. Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

Subsequent Measurement

For purpose of subsequent measurement, financial assets are classified in two broad categories:

- Financial Assets at fair value
- Financial Assets at amortized cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss, or recognized in other comprehensive income.

A financial asset that meets the following two conditions is measured at amortized cost.

- Business Model Test: The objective of company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through OCI:-

- Business Model Test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- Cash Flow Characteristics Test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit and loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the entity has elected irrevocable option to present value changes in OCI.

Impairment of Financial Assets

The company assesses impairment based on expected credit losses (ECL) model at an amount equal to:

- 12 months expected credit losses, or
- Lifetime expected credit losses

Depending upon whether there has been a significant increase in credit risk since initial recognition.

However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowances based on lifetime ECLs at each reporting date, right from its initial recognition.

ii. Financial Liabilities

All financial liabilities are initially recognized at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities are classified as measured at amortized cost or Fair Value Through Profit and Loss (FVTPL). A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or is designated as such on initial recognition. Financial Liabilities at FVTPL are measured at fair value and net gains or losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit and loss. Any gain or loss on de-recognition is also recognized in statement of profit and loss.

1.7 Fair Value Measurement

The company measures financial instruments at fair value at each balance sheet date.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identified assets or liabilities
- Level 2 - Valuation techniques for which the lowest level of input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosure, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.8 Inventories

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport & handling costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The cost in respect of raw materials, store and spares and packing material is determined under the weighted average cost method.

Inventories of work in process and finished goods have been valued at weighted average cost for the year. Such weighted average cost has been arrived taking the operation of the plant at normal capacity.

Waste is valued at estimated net realizable value.

1.9 Employee Benefits

i. Short term employee benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be incurred when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Long term/Post Separation employee benefit plan

➤ Defined Contribution Plan:

The company's contributions to recognized Provident Fund and Labour Welfare Fund are charged to profit and loss account on accrual basis.

➤ Defined Benefit Plan:

The Company accounts for expenditure on defined benefits plans on an actual payment basis. It is the view of the management that, due to heavy labor turnover ratio and as the entire labour force as at 31.03.2021 is not older than 30 months, the liability of the company under defined benefit plans (i.e. gratuity and leave encashment) is not material considering the present composition of the labor and its volume of business. There is no liability towards retirement benefits as on 31.03.2021 as determined by the company.

1.10 Income Tax and Deferred Tax

The liability of company on account of Income Tax is computed considering the provisions of the Income Tax Act, 1961.

Deferred tax is provided using balance sheet approach on temporary differences at the reporting date as difference between the tax base and the carrying amount of assets and liabilities. Deferred tax is recognized subject to the probability that taxable profit will be available against which the temporary differences can be reversed.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.11 Provisions, Contingent Liability and Contingent Assets

Disputed liabilities and claims against the company including claims raised by fiscal authorities (e.g. Sales Tax, Income Tax, Excise etc.) pending in appeal or court for which no reliable estimate can be made and or involves uncertainty of the outcome of the amount of the obligation or which are remotely poised for crystallization are not provided for in accounts but disclosed in notes to accounts.

However, present obligation as a result of past event with possibility of outflow of resources, when reliable estimation can be made of the amount of obligation, is recognized

in accounts in terms of discounted value, if the time value of money is material using a current pre-tax rate that reflects the risk specific to the liability. No contingent asset is recognized but disclosed by way of notes to accounts.

1.12 Foreign Currency Translation

The company's financial statements are presented in INR, which is also the company's functional currency.

- i. Transactions in foreign currencies are recognized at rate of overseas currency ruling on the date of transactions. Gain/Loss arising on account of rise or fall in overseas currencies vis-à-vis functional currency between the date and that of payment is charged to Statement of Profit and Loss.
- ii. Monetary Assets in foreign currencies are translated into functional currency at the exchange rate ruling at the Reporting Date and the resultant gain or loss is accounted for in the Statement of Profit and Loss.
- iii. Non-Monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.
- iv. Impact of exchange fluctuation is separately disclosed in the notes to accounts.

1.13 Earnings Per Share

Basic Earnings per share is calculated by dividing:

- the net profit for the period attributable to equity shareholders
- by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share:

- the net profit for the period attributed to equity shareholders
- and the weighted average number of shares outstanding during the period
- is adjusted for the effects of all dilutive potential equity shares.

1.14 Borrowing Costs

Borrowing cost that are directly attributable to the acquisition, construction, or production of a *qualifying asset are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use or sale.

Borrowing cost consists of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. All other borrowing costs are recognized as expense in the period in which they are incurred.

* A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

1.15 Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short- term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(B) NOTES FORMING PART OF THE ACCOUNTS

1. The continuing pandemic due to outbreak of Coronavirus Disease (COVID-19) has impacted the business activities of the Company. On account of this, the Company has prepared cash flow projections and also, assessed the recoverability of receivables, contract assets, factored assumptions used in annual impairment using the various internal and external information up to the date of approval of these financial statements. On the basis of evaluation and current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets and does not anticipate any impairment to these financial and non-financial assets. The Company will continue to closely monitor any material changes to future economic conditions.
2. In the opinion of the Board, the current assets, loans and advances are approximately of the value stated if realized in the ordinary course of the business, the provision for all known liabilities is adequate and no in excess of the amount considered reasonably necessary.
